THREE OF LAS VEGAS' BEST ALL-YOU-CAN-EAT BRUNCH EXPERIENCES

MOZEN BISTRO AT MANDARIN ORIENTAL, LAS VEGAS

Though not a traditional buffet, this stylish bistro boasts one of the most exquisite all-you-can-eat brunch experiences in town every Sunday from noon to 2:30 p.m. Not only can guests feast upon a variety of items served buffet style, like sushi, oysters and freshly carved barbecue pork, but they also get to choose an entrée from a menu of fresh-made selections, like the palate-pleasing Potato Gnocchi with Parmesan cream, pesto, cherry tomatoes and toasted pine nuts or the Matcha Waffle with lychee compote, passion fruit cream and green tea sugar. It's important to pace yourself throughout your meal, as it can be easy to fill up on items from the sumptuous smorgasbord before your entrée arrives. You'll also want to save room for dessert: the buffet's beautifully plated treats are delightful.
